

## Bright Hope Laurel United Methodist Church

271 Laurel Valley Road  
Mars Hill, NC 28754

April 21, 2021

SUBJECT: Position Vacancy, Music Director, Part-time

### Job Description

It is the job of the Music Director to coordinate all music for Worship with the Pastor, accompanist and choirs.

Skills needed:

1. Trained vocalist
2. Directorial skills for Vocal Choir and Bell Choir
3. A working knowledge of the Christian Year and Lectionary

About Bright Hope Laurel UMC:

Chancel Choir: During the months of June - September, there is usually an active Vocal Choir but because of COVID, the choir has not met for a year. And, due to the ageing process and people moving out of the area, it may be a challenge to reconvene.

Bell Choir: There is an active 3-octave bell choir that rehearses year round and plays on the average of every other month. They are anxious to begin rehearsals again, when it is safe for all.

Soloists: From the months of October - May special music for worship has been provided by soloists. It is most common for the Music director to be the soloist but making arrangements for other volunteer singers is welcome as well.

Bright Hope Laurel is a kind, receptive and accommodating church that appreciates good music and the work it takes to accomplish it.

Salary is negotiable and commensurate with experience, education and abilities.
